TECHNICAL DATA

RBD-High Oleic Soybean Salad Oil

Ingredient: High oleic soybean oil

100% fully refined, bleached, and deodorized high oleic soybean oil suitable use in mayonnaise, salad dressings, sauces, frying, various bakery products, and other food or pharmaceutical applications. Careful bleaching assures oil with light color making it the oil of choice when bottled for foodservice or retail distribution. Thorough refining and deodorization guarantee that the oil will not mask the natural flavor profile of your food products. High oleic soybean oil maintains excellent stability and its unique fatty acid profile makes it healthy 0g *trans* fat choice when a liquid vegetable oil is preferred.
