Foreign Material:

50.0

0.0150

45.1

All foreign material over 1% expressed to nearest tenth of a percent will be deducted from gross weight. In addition to the normal foreign material deduction, corn and other grains in excess of 5%, will be discounted 1% of contract price for each 1% or fraction thereof. See above table for FM OVER 5%.

Sour

0.10

All unsold soybeans delivered will be automatically placed on delayed price contracts as they are delivered. Open Storage and Warehouse Receipts are not available.

The daily DP rate for soybeans is .0023 cents per bushel per day (6.9 cents per bushel/month)

If grain is priced in the first 15 days of delivery, no DP will be assessed. DP charges on grain in excess of 15 days will revert to date of delivery.

All grain subject to rejection at our discretion due to off grade or low quality.
